ARE WILLING TO CO-OPERATE

SATISFACTORY REPLIES FROM
THE LARGE MAJORITY OF
THOSE CHOSEN FOR WORK.

A large number of replies have been received by Committeeman Spalding and Secretary Wood of the Promotion Committee, in answer to the letter sent out appointing different citizens to form local improvement clubs.

Ralph S. Hosmer wrote that Mrs. Eliza Wilder had offered to provide golden shower trees to be planted all along Pensacola street, both side a from Laniallo to Wilder avenue. The offer was accepted.

C. S. Holloway, superintendent of Public Works, agreed that the telephone and electric light companies would be required to notify the Board of Agriculture when tree cutting became necessary so that there should be no mutilation.

The Chinese Consul was obliged to decline taking the supervision of the Thomas Square district.

Louis R. Medeiros accepted the task of organizing the Portuguese in the Punchbowl district for improvement.

George Herbert agreed to look after his section as did F. W. Macfarlane of the Waikiki-Kalia district.

A. W. Van Valkenberg suggested the name of Albert Waterhouse instead of his own for Pearl City.

Ching Chee of Smith street division wrote asking for information as how best to proceed.

Frank L. Hoogs and J. P. Cooke accepted charge of the division above Oomihis, Kewalo to Makiki.

John Kidwell, J. F. C. Hagons and A. E. Murphy all accepted for their respective divisions as did W. A. Bryan for Kamehameha.

C. Ah Fook suggested the names of M. M. Ferreira and C. Q. Yee Hop instead of his own.

Alex Garvie, Postmaster J. G. Pratt, J. H. Boyd and A. Herbert accepted but Frank Hustace declined, recommending the appointment of James Steiner. David Haughs and John Effinger were also among those who accepted the duty of beautifying their sections.

Altogether the work is in excellent shape and the movement is now well begun.

PROMOTION WORK GOING AHEAD

THE PARKING OF THE WAIKIKI ROAD WAS CONSIDERED YESTERDAY—OTHER WORK.

The regular meeting of the Promotion Committee was held yesterday afternoon those present being Chairman McCandless, Gartley, Spalding, Smith and Secretary Wood.

The improvement of the Waikiki road was first discussed. The chair thought that it would be a mistake to park the middle of the road and suggested the planting of a double row of trees instead. The matter will be left in abeyance until the arrival of Robinson the park expert.

Spalding reported on the response which had been made to the appeal to form improvement clubs about the city and suggested that ladies should be invited to co-operate. He made a reference to the weed-covered lot at the corner of Punahou and Wilder avenue. It belongs to the school department but Superintendent Babbitt says that he has no money available for its improvement. It was thought that if the department could not take care of the lot, it had better sell the land.

A letter from L. A. Thurston was read in which he counselled having the entire work put under direct and responsible supervision. This view was adopted by the committee.

The suggestion that a place be set aside either at Nuuanu stream or one of the islets at Kapiolani park for transformation into a Japanese garden was approved.

The committee thought that Postmaster Pratt's proposition to raze Honolulu Hale was a good one and the Supervisors will be addressed on the subject.

As to the yacht race from the Coast, it was stated that Clarence Macfarlane was perfectly willing to sail La Paloma in the race but that it would cost him \$1200 to put the yacht in shape and that some of his expense should be borne by others.

It was decided to offer several cash prizes for the pa-u riders in the floral parade. These will be given for the most graceful riders and for the most attractive costumes.
